In New Mexico, our children are often the only Jewish students in their schools and neighborhoods. Our once-a-week **Cheder** and once-a-month **Gan** give our children the opportunity to be with other Jewish kids and families while they learn about their Jewish heritage through creative and joyful experiences.

This year, our theme is **Tikkun Olam** (repair the world). All our students will learn about this important Jewish principle and how to apply it in their own lives. On Thursday at 6:00 p.m., each Cheder session will conclude with a 15-minute *tefilah* (prayer) service. Parents are welcome and encouraged to participate in the service with their children.

➔ **August 16, 5:30 – 7:00 p.m.**

**Registration and Pizza Party** for Thursday Cheder AND Sunday Gan students

**Second Sunday of the Month, 10:00 – 11:30 am, starting September 9, 2018**

**Gan (Ages 3-5)**

- Bible Stories
- Learning about the Jewish Holidays
- How to be a good person

**Every Thursday, 4:30 – 6:15 p.m., starting August 23**

**Cheder (Grades 1-7)**

- Hebrew Language
- Jewish History
- The Jewish Year
- How to be a good person
- B'nai Mitzvah readiness

No child ever too old to begin Cheder! For children ready for B'nai Mitzvah we offer many options to fulfill this important life-cycle event, and we help every family to create a meaningful experience.
